

MATH PROJECT AT SAC STATE

FOCUS ON STUDENT THINKING:
ENGAGE & REFLECT

Live on Zoom!
Wednesdays
4:15-5:30

Deepen your understanding of mathematics through reflection and engage with peers to unpack the teaching of mathematics.

Join us to:

- Experience inclusion activities & build community
- Problem solve, engage in discourse and question-posing
- Practice open exploration and identify questions to extend thinking
- Explore different technology and tools

\$150 STIPEND!

To qualify you must:

- Attend all 6 sessions
- Fill out pre & post survey for the year
- Attend one 60 minute reflection group

You will receive:

- Free registration
- A \$150 stipend (or teaching supplies)

Limited funding available!
